

# SMARTS Artist in the Making Summer Workshops 2019

Get **creative**, get **messy**, and **have a blast** while you feed your inner artist this summer with **SMARTS Artist in the Making Summer Workshops**. These new, short, one-week workshops are a unique arts opportunity that will get you up and moving, meeting new people, and experimenting with visual art, music, dance, theater, or creative writing. You can explore your favorite art or **try something new!** These workshops are taught using the **arts integration approach**, so they will challenge you to explore the world, look at different topics, and find ways to pull inspiration from other subjects in order to make amazing art. You'll learn new ways to see, listen, feel, and **think like an artist**. No summer brain drain, here. Bring your **imagination** and let's have some **fun**. We can't wait to see what cool things you create this summer!

*SMARTS Students are permitted to sign up for **only one summer workshop**. There will be a break for you to bring a sack lunch. **Registration opens Monday, May 20** at [www.smartsartschool.org/classes](http://www.smartsartschool.org/classes).*

## Summer Session A

Monday – Thursday, June 10-13

@ 10:30 am - 12:45 pm

### Drum and Dance Workshop

Grades K-2

*A SMARTS Arts Integrated Workshop*

Step into sound with this fun dance class where you'll get to create the music you move to. Explore rhythms and dance moves from some of your favorite songs and learn new ones from around the world. Put your counting and storytelling skills to the test as you make original choreography together. If you like to jump, jive, and groove, this class is for you!

### Spontaneous Scenarios Workshop

Grades 3-12

Welcome to the acting workshop that relies on your own imagination. You'll learn the basics of improvisation and participate in many acting exercises that allow you to engage with others in scenarios. The best part? You get to decide what happens next. Sure to make a lot of laughs, this is a week you won't want to miss! No acting experience is necessary.

### Word Drawing Workshop

Grades 3-12

*A SMARTS Arts Integrated Workshop*

Learn how to think like an artist in this workshop where you'll find something important you want to say and decide how to illustrate that message through your art by manipulating both words and images. Draw with words and use color to bring your thoughts to life and use your art skills to try something new and reach deep. It's your chance to be clever and witty, express your feelings, or make something wild.

### SMARTS Word Drawing Workshop

---

**Summer Session B**  
**Monday – Thursday, June 24-27**  
**@ 10:30 am - 12:45 pm**

**Chalk it Up Workshop**

**Grades K-2**

*A SMARTS Arts Integrated Workshop*

Sometimes the best part of making art is getting our hands messy! In this workshop, we'll experiment with chalk, charcoal and pastels as we learn about different elements of weather phenomenon. Students will smudge, smear, and shade their way through tornados, ice storms, volcanoes, fog, rainbows, and lightning to create art that illustrates the science of weather.

**Musical Worlds Workshop**

**Grades 3-12**

*A SMARTS Arts Integrated Workshop*

If you have a fascination with different types of musical instruments, this class is for you. Be a part of a journey to create a world from a variety of percussion and other instruments. As a class, you will design a musical atmosphere and tell stories based on grooves, rhythms, and sound effects. No musical experience is necessary to participate in this workshop.

**One Hot Cookie Design Workshop**

**Grades 3-12**

Love art? Love cookies? We do, too! That's why this workshop will be fun in a delicious way. Be a part of a team that will design window art for the downtown Youngstown business, One Hot Cookie. You'll learn marketing and advertising concepts, how to convey a message through your art, and how to capture an audience's attention. Best of all, you'll get to create a design for One Hot Cookie's window for everyone to enjoy! Students will meet at SMARTS and walk in a group to One Hot Cookie.
